Downtown Windsor Night Market slated for October Seeking artists, crafters and artisans

For Immediate Release

(September 2, 2021) WINDSOR, ON: — One of the region’s most beloved and iconic events is slated for downtown this fall, and is seeking local creators.

The Downtown Windsor Business Improvement Association will be hosting its first Night Market on Friday, October 8 from 6 pm to 10 pm at the Pelissier Street Parking Garage.

“We’re looking forward to this cultural event, and welcoming anyone looking to enjoy unique, handcrafted products and supporting local,” says DWBIA Chair Brian Yeomans.

“It also serves as a space for community connections and conversations.”

To support this vision, the DWBIA is seeking talented, local crafters, artists and artisans who create “distinctive, artisanal and handcrafted products, jewelry, collectibles and one-of-a-kind services.”

The cost is nominal and includes a 10’ x 10’ space and free vendor parking. The fee is \$30 for non-members of the DWBIA, and \$20 for members.

Visit <https://www.downtownwindsor.ca/nightmarket> for details and to register.
